Public Comment:

Resident Marlene Kosnik asked about brining of Stone Quarry Road at the intersection of Union LeBoeuf Road, there is a lot of traffic and ATV's causing dust. She stated that the section of Union LeBoeuf Road from West high street to Stone Quarry Road used to be black-topped and now it is tar & chipped, she asked why the change was made and who tore up the asphalt surface. Supervisors explained that the decision to change it to tar & chip was due to the cost and that the township did not have the funds to re-black top the road.

Ron Etheridge would like a layer of stone placed on Union LeBoeuf Road in front of his house where the tar is not covered.

Ron & Terri Lewis stated that Moore Road is very dusty due to the increase in traffic because of the detour. Drew Francisco stated that the township can close the road, but this would entail a lot of that traffic being forced to turn around on Mr. Lewis' property. A resolution to close Moore Road until September was tabled. Ron & Terri Lewis left at 6:29 p.m.

The Supervisors agreed that they would make a decision in August as to whether a loan will be needed for road projects.

The section of Old Route 19 South was investigated and the township did not accept this section of road for Turnback Funds. Liquid Fuel funds are not paid to the township. The section is deemed a private drive and the township is not responsible for the maintenance of it.

Road Foreman Report: Grading and Brining was performed on Old Meadville and Willey Roads. Washington Township would like to tar & chip a portion of Smedley Road. Cost for LeBoeuf Township would be approximately \$5,500.00.

Residents on Old Route 19 would like "Children Playing" Signs. Supervisors agreed that if the resident would like to purchase the posts and signs, the Township Road crew will install them. PennDOT has requested that the township inspect the Traffic Signal Pole and base at the intersection of Route 6/6N & Route 19. Road Foreman Drew Francisco will inspect and report. Stone Quarry Road may be closed until the end of the 2nd week of July.

Additional employees will be hired for the milling project and a loader will be rented.

Discussion was held on School Bus Routes for the fall. It has been suggested that buses may run from 5:00 a.m. to 8:00 p.m. The LeBoeuf Township Supervisors are concerned about the additional traffic and costs for plowing and cindering of roads. A letter will be sent to the School District with their concerns.

Zoning Officer Bill Cornwell reported that someone tried to steal the “Henry” Road sign by his property. He deterred them and brought the sign in to have it reinstalled. He stated that the McWilliams building, on French Creek Road, is legal.

Correspondence & permits were read and reviewed.

James Glover motioned to ratify Bills & Payroll for June 18, 2020, Michael Porter seconded. All voted yes.

Michael Whitman moved, seconded by Michael Porter, to adjourn the regular meeting at 7:24 p.m. Motion carried unanimously.

Respectfully Submitted
