

ARTICLE X DEFINITIONS

1001 Rules of Construction and Definitions

The following rules of construction shall apply to this Ordinance:

- A. For the purpose of this Ordinance, certain terms and words are herein defined. Whenever used in this Ordinance, they shall have the meaning indicated in this Article, except where there is indicated in context different meaning.
- B. The particular shall control the general.
- C. The word "shall" and "must" are mandatory and not discretionary. The word "may" is permissive.
- D. Words used in the present sense shall include the future; words used in the singular number shall include the plural, and the plural the singular, unless the context clearly indicates the contrary.
- E. The phrase "used for" includes "arranged for", "designed for", "intended for", and/or "occupied for."
- F. The word "person" includes "individual," "profit or non-profit organization," "partnership," "company," "unincorporated association," "corporation," or other similar entities.

1002 Terms, Phrases and Words Not Defined

When terms, phrases, or words are not defined, they shall have their ordinarily accepted meanings or such as the context may imply.

1003 Definitions

For the purpose of this Ordinance, the following words, terms and phrases have the meaning herein indicated:

Abandoned or Junked Vehicle: Any vehicle not stored in a fully enclosed building which is not in good operating and road-worthy condition.

Abused Person Shelter: A non-profit residential use in which rooms are provided to serve as a temporary safe and supportive environment for persons who, because of actual or threatened physical or mental abuse, are forced to leave their previous living arrangement. Such facilities shall be designed to provide in-house living for persons only until a safe, permanent living arrangement can be obtained.

Accessory Use or Structure: A use of land or of a structure or portion thereof incidental and subordinate to the principal use of the land or building and located on the same lot with such principal use. A portion of a principal building used for an accessory use shall not be considered an accessory structure.

Access Point: One combined entrance/exit point or one clearly defined entrance point, or one clearly defined entrance point separated from another clearly defined exit point. This term shall not include access ways or driveways that are strictly and clearly limited to use by only emergency vehicles; such accesses are permitted by right as needed.

Adult Arcade: Any place to which the public is permitted or invited wherein coin-operated or token-operated or electronically, electrically or mechanically controlled still or motion picture machines, projectors, or other image-producing devices are maintained to show images to five (5) or fewer persons per machine at any one time, and where the images so displayed are distinguished or characterized by the depicting or describing of "specified sexual activities" or "specified anatomical areas". An "Adult Arcade" shall be considered an "Adult Business" for the

purpose of this Ordinance.

Adult Bookstore or Adult Video Store: A commercial establishment which, as one of its principal business purposes or as a substantial part of its business, offers for sale or rental for any form of consideration, any one or more of the following:

- A. Books, magazines, periodicals or other printed matter or photographs, films, motion pictures, video cassettes, or video reproductions, slides or other visual representations which depict or describe "specified sexual activities" or "specified anatomical areas"; or
- B. Instruments, devices or paraphernalia which are designed for use in connection with "specified sexual activities".

A commercial establishment may have other principal business purposes that do not involve the offering for sale or rental of material depicting or describing "specified sexual activities" or "specified anatomical areas" and still be categorized as "Adult Bookstore" or "Adult Video Store". Such other business purposes will not serve to exempt such commercial establishment from being categorized as an "Adult Bookstore" or "Adult Video Store" so long as one of its principal business purposes is the offering for sale or rental for consideration the specified materials which depict or describe "specified sexual activities" or "specified anatomical areas".

The term Adult Bookstore shall include but not be limited to an Adult Video Store, and all such uses shall be considered an "Adult Business" for the purpose of this Ordinance.

Adult Business: Any of the following:

- A. A use of a building or land for a business which has obscene materials as a substantial or significant portion of its stock-in-trade.
- B. A use of a building or land for a business which involves the sale, lease, trade, gift or display of drug paraphernalia as a substantial or significant portion of its stock-in-trade.
- C. Any nightclub, bar, restaurant, arcade, theater, or any other establishment that conducts live performances as a principal part of its business that are characterized by the exposure of "specified anatomical areas" or by "specified sexual activities", or films, motion pictures, video cassettes, slides, or other photographic reproductions in which a substantial portion of the total presentation time is devoted to the showing of material that is characterized by an emphasis upon the depiction or description of "specified sexual activities" or "specified anatomical areas", or where any "specified sexual activities" are conducted for economic gain or any other form of consideration.
- D. Any of the following as defined in this Article II:
 - 1. adult arcade
 - 2. adult bookstore or adult video store
 - 3. adult live entertainment use or facility
 - 4. adult motel
 - 5. adult motion picture theater
 - 6. adult theater
 - 7. escort agency
 - 8. massage parlor
 - 9. nude model studio
 - 10. sexual encounter center

Adult Care Facility: See "Health Facility."

Adult Live Entertainment Use or Facility: A commercial use (including, but not limited to, a use selling food or beverages) including live entertainment involving:

- A. Persons (which may include, but is not limited to, waiters, waitresses, dancers, clerks, bartenders, contractors or others) appearing in a state of nudity; or,
- B. Live performances which are characterized by the exposure of "specified anatomical areas" or simulated

or actual "specified sexual activities";" or,

- C. Films, motion pictures, video cassettes, slides or other photographic reproductions which are characterized by the depiction or description of "specified sexual activities" or "specified anatomical areas"

An "Adult Live Entertainment Use or Facility" shall be considered an "Adult Business" for the purpose of this Ordinance.

Adult Motel: A hotel, motel or similar commercial establishment which:

- A. Offers accommodations to the public for any form of consideration; provides patrons with closed-circuit television transmissions, films, motion pictures, video cassettes, slides, or other photographic reproductions which are characterized by the depiction or description of "specified sexual activities" or "specified anatomical areas"; or,
- B. Offers sleeping rooms for rent three (3) or more times in one calendar day.

An "Adult Motel" shall be considered an "Adult Business" for the purpose of this Ordinance.

Adult Motion Picture Theater: A commercial establishment where, for any form of consideration, films, motion pictures, video cassettes, slides, or similar photographic reproductions are regularly shown which are characterized by the depiction or description of "specified sexual activities" or "specified anatomical areas". An "Adult Motion Picture Theater" shall be considered an "Adult Business" for the purpose of this Ordinance.

Adult Theater: A theater, concert hall, auditorium, or similar commercial establishment which regularly features persons who appear in a state of nudity or live performances which are characterized by the exposure of "specified anatomical areas" or "specified sexual activities". An "Adult Theater" shall be considered an "Adult Business" for the purpose of this Ordinance.

Agricultural Use: The use of any parcel of land for economic gain in the raising of agricultural products, livestock, poultry and/or dairy products. It includes necessary structures within the limits of the parcel and the storage of equipment necessary for production. It excludes the raising of fur bearing animals, riding academies, livery or boarding stables and dog kennels; and excluding the disposal or use of sludge, septage or similar waste products.

Agriculture Products Processing: An industry that involves the processing of raw agricultural products; and transforming those products into a more refined, prepared or marketable state. Includes, but is not limited to, such uses as sawmills, tanneries, dairies and food canning and freezing operations.

Airport: A tract of land, with or without buildings, where airplanes, jets, helicopters and/or any other type of aircraft land and take off.

Alley: A public or private thoroughfare affording only secondary access to abutting properties.

Alterations: As applied to a building or structure, means any change or rearrangement in the structural parts or in the existing facilities, or an enlargement, whether by extending on a side or by increasing in height, or the moving from one location or position to another.

Amusement Arcade: A building or part of a building in which five (5) or more pinball machines, video games, or other similar player-operated amusement devices are maintained. The use of less than five (5) such devices shall be permitted as an accessory use to any lawful principal commercial use.

Amusement Park: A commercially operated park or facility with various devices for entertainment including but not limited to rides, games, electronic games and similar devices, food stands and other associated facilities.

Apartment: See "Dwelling."

Applicant: An individual, trustee, executor, other fiduciary, corporation, firm, partnership, association, organization or other entity acting as a unit, and his/her/its heirs, successors and assigns, which is seeking an approval or permit pursuant to this Zoning Ordinance.

Archery Range, Indoor: See *Recreational Facility, Private*.

Archery Range, Outdoor: Any area not within a fully enclosed building used for the shooting of arrows for recreational or training purposes, including but not limited to, target shooting ranges, and target shooting courses. Any such commercial operation, any such area operated by any private non-profit entity, any community association, any such area operated by any sportsman's, recreation or fraternal club or association with twenty-five (25) or more members, and any such area which is used or is intended to be used for more than five (5) hours in any one (1) week shall be considered an outdoor archery range for the purposes of this Zoning Ordinance.

Bank: An establishment for the custody, loan, exchange or issue of money, for the extension of credit, and for facilitating the transmission of funds. (See "service establishment")

Basement: An enclosed floor area partly or wholly underground, other than a building which is completely underground.

Bed and Breakfast: Any single-family dwelling in which more than three (3) persons either individually or as families are housed or lodged for hire with meals normally included as a part of the services rendered, and shall be restricted to transient visitors to the area.

Betting Use: A use where lawful gambling activities are conducted, including but not limited to off-track para-mutual betting. This term shall not include betting under the State Lottery programs or betting under the "Small Games of Chance" provisions of State law, which shall instead be regulated under the regulations applicable to the principal use of the property (such as a "membership club").

Boarding or Lodging House: Any dwelling in which more than three (3) persons either individually or as families are housed or lodged for hire with meals normally, but not necessarily included as a part of the services rendered.

Board of Supervisors or Supervisors: The Board of Supervisors of Glenburn Township, Lackawanna County, Pennsylvania.

Buffer: A strip of land that separates one use from another use or feature, and is not occupied by any building, parking, outdoor storage or any use other than open space or approved pedestrian pathways. It is used to provide separation between incompatible uses to effect a visual barrier, reduce noise, block physical passage between uses, and reduce noise, dust and litter. The separation may be effected by fencing, dense vegetative planting, the provision of additional setback distances, berms or a combination thereof; and, in general, widths of buffers are increased as the density or opaqueness of the barrier decreases. A buffer yard may be a part of the minimum setback distance but land within an existing street right-of-way shall not be used to meet a buffer yard requirement.

Building: Any structure having a roof supported by columns or walls and intended for the shelter, housing or enclosure of any individual, animal, process, equipment, services, goods or materials of any kind or nature.

Building Coverage: The percentage of the area of the lot covered or occupied by the total horizontal projected surface area of all buildings on the lot and including accessory buildings and structures (including covered porches, carports and breeze ways, but excluding open and uncovered patios and decks).

Building Envelope: An area on a lot which has been designated as the area in which development may occur. Building envelopes are identified by building setbacks, conservation areas, site conditions and other factors, and are

specifically designated on the development plan and established by deed covenants and restrictions.

Building Height: The vertical distance of a building measured from the lowest exposed portion of the building to the highest point of the uppermost part of the building.

Building, Principal: A building in which is conducted the main or principal use of the lot on which said building is situated.

Bulk Fuel Storage Facility: Any facility where fuel, including but not limited to kerosene, home heating oil, gasoline, and propane, is stored in large volume tanks for distribution to retail or wholesale establishments. This shall also include any retail distributor with storage tanks exceeding two thousand (2,000) gallons.

Bus Terminal: An area and/or building where buses are stored or parked on a regular basis with or without bus maintenance and repair facilities.

Caliper: The diameter of a tree's trunk measured twelve (12) inches above the ground.

Campground or Recreational Vehicle (RV) Park: A tract of land, or any portion thereof, used to provide sites for the temporary use of tents or recreational vehicles, as hereinafter defined, for camping purposes, with or without a charge for the leasing, renting or occupancy of such space.

Carport: A roofed building intended for the storage of one (1) or more motor vehicles, but which is not enclosed on all sides by walls or doors. If any portion of a carport is attached to a principal building, it shall be considered to be part of that building.

Car Wash: Any building or premises or portions thereof used for washing automobiles for commercial purposes.

Cemetery: Land or buildings used for the burial of deceased humans or animals. The internment or scattering or remains of properly cremated humans is not regulated by this ordinance.

Church: A building used for public worship. (See also Semi-public Buildings and Uses).

Clear Sight Triangle: An area of unobstructed vision at a street intersection(s), defined by lines of sight between points at a given distance from the intersecting street right-of-way lines.

Club/Lodge, Private: An area of land or building used by a recreational, civic, social, fraternal, religious, political or labor union association of persons for meetings and routine socializing and recreation that are limited to bona fide members and their occasional guests, and persons specifically invited to special celebrations, but which is not routinely open to members of the general public and which is not primarily operated as a for-profit business. The club shall involve a meaningful and substantial membership system, as opposed to a token system. This use shall not include a target range for outdoor shooting, boarding house, a tavern, a restaurant or an auditorium unless that particular use is permitted in that District and the requirements of that use are met.

Cluster Development: A form of development for single-family residential development that permits a reduction in lot area and certain development standards provided unit densities permitted under a conventional subdivision are maintained and the resultant land area is devoted to common open space.

Commercial Use: An occupation, employment, or enterprise carried on for profit by the owner, lessee, or licensee.

Commercial Communication Device - Any device which is intended for transmitting or receiving commercial television, radio or telephone communications, excluding the following which are not appropriate subject of the

zoning ordinance:

1. Industrial, scientific and medical equipment as regulated by the Federal Communications Commission in 47 CFR 18.
2. Military and government radar antennas and associated communication towers used for navigational purposes as regulated by 47 CFR 87.
3. Amateur (ham) and citizen band transmitting and receiving antennas and associated communication towers as regulated by 47 CFR 97 and 47 CFR 95, respectively, and which are less than one hundred (100) feet in height.
4. Radio transceivers normally hand-held or installed in a vehicle, such as an automobile, truck, trailer or water craft.
5. A radio frequency machine which is designated and marketed as a consumer product, such as microwave ovens and radio control toys.

Commercial Communication Device Support Structure - Any pole, telescoping mast, tower, tripod, or any other structure which supports a commercial communication device.

Commercial Communication Device Support Structure Height - The vertical distance measured from the base of the support structure at grade to the highest point of the structure. If the support structure is on a sloped grade, then the average between the highest and lowest grades shall be used in calculating the height.

Common Area: All of the real property and improvements dedicated for the common use and enjoyment of the residents of a particular development; including, but not limited to, open land, development improvements, common facilities, and recreation area.

Common Facilities: Improvements in a development that are not required by the Township but have been constructed as part of a development for the common use and enjoyment of the residents of that development; including, but not limited to, community centers, recreation buildings and structures, and administrative and maintenance buildings.

Commission: The Planning Commission of Glenburn Township, Lackawanna County, Pennsylvania.

Complete Application - An application which includes all information required by this Ordinance and any additional information deemed necessary by the Zoning Officer, Planning Commission, Board of Supervisors or Zoning Hearing Board, as the case may be, to determine compliance with this Ordinance.

Comprehensive Plan: The Glenburn Township Comprehensive Plan including all maps, charts and textual matter.

Conditional Use: A use which is not appropriate to a particular zone district as a whole, but which may be suitable in certain localities within the district only when specific conditions and factors prescribed for such cases within this Ordinance are present. Conditional uses are allowed or denied by the Board of Supervisors after recommendations by the Planning Commission.

Condominium: A set of individual dwelling units or other areas of building each owned by an individual person(s) in fee simple, with such owners assigned a proportionate interest in the remainder of the real estate which is designated for common ownership, and which was created under the PA Unit Property Act of 1963 (at the time such law was in effect) or is/was created under the PA Uniform Condominium Act of 1980, as amended.

Conservation Area, Primary: Those areas of a development tract which are comprised of environmentally sensitive lands on which development is not permitted.

Conservation Area, Secondary: Those areas of a development tract which are somewhat less sensitive than primary

conservation areas and which may be critical to the effect the development will have on both the natural environment and the rural character of the community.

Construction: The construction, reconstruction, renovation, repair, extension, expansion, alteration, or relocation of a building or structure, including the placement of manufactured homes.

Convenience Store: A one-story, retail store that is designed and stocked to sell primarily food, beverages, and other household supplies to customers who purchase only a relatively few items (in contrast to a "supermarket"), it may also include the sale of gasoline but shall not include the repair or service of vehicles.

Corral: An enclosure for confining livestock and which is typically attached to or situated in close proximity to a stable or barn; as contrasted to a pasture.

Country Club: A recreational property owned and managed by membership organization and including recreational facilities, restaurant and meeting rooms.

County: The County of Lackawanna, Commonwealth of Pennsylvania.

Crematorium: A furnace or establishment for the incineration of corpses.

Crop Production: An agricultural use involving the use of land for the raising of cultivated plants or agricultural produce such as grain, vegetables, silage, or fruit. The definition excludes commercial greenhouses and commercial nurseries as defined by this Zoning Ordinance.

Day Care, Adult: A use providing supervised care and assistance primarily to persons to persons who are over age 60 and not in good physical health or suffering from Alzheimer disease or are developmentally handicapped and/or are physically handicapped and who need such daily assistance because of such condition. This use shall not include persons who need oversight because of behavior that is criminal or violent. This use may involve occasional overnight stays, but shall not primarily be a residential use. The use shall involve typical stays of less than a total of 60 hours per week per person.

Day Care, Child: A use involving the supervised care of children under age 16 outside of the children's own home primarily for periods of less than 18 hours during the average day. This use may also include educational programs that are supplementary to State-required education, including a "nursery school." The following three types of day care are permitted without regulation by Ordinance: 1) care of children by their own relatives, 2) care of children within a place of worship during regularly scheduled weekly religious services and 3) care of 1 to 3 children within any dwelling unit, in addition to children who are relatives of care giver. (See also the definition of "Adult day care center.")

- A. (Child) Day Care, as an Accessory Use: A type of "day care" use that provides care for 4 to 6 children at one time who are not relatives of the care giver.
- B. (Child) Day Care Center, as a Principal Use: A type of "day care" use that provides care for 7 or more children at any one time who are not relatives of the primary operator.

Deck: An elevated (more than 6 inches) attached accessory structure constructed of wood with no walls or roof. As an attached accessory structure, it must meet the required setbacks for the principal building.

Density: The total number of dwelling units proposed on a lot divided by the "lot area", unless otherwise stated.

Detached Building: A building that is surrounded on all sides by open yards and that is not attached to any other building.

Detention Facility: A publicly operated or sponsored facility used to house and/or rehabilitate individuals detained, sentenced by, or under the jurisdiction of the criminal justice system, including but not limited to, jails, prisons, penitentiaries, reformatories, half-way houses and similar facilities.

Developer: Any landowner, agent of such owner, or tenant with the permission of such landowner, who makes or causes to be made a subdivision of land or a land development.

Development: Any man-made change to improved or unimproved real estate, including but not limited to buildings or other structures, the placement of manufactured homes, streets, and other paving, utilities, filling, grading, excavation, mining, dredging, or drilling operations and the subdivision of land.

Development Improvements: All the physical additions and changes to a tract and the constructed facilities necessary and/or required by the Township to produce a usable and functional development; including, but not limited to roads, parking areas, storm water controls and drainage easements, landscaped areas, utilities, and water supplies and sewage disposal systems.

Development Plan: A proposed development, prepared in accordance with this Ordinance and the Township Subdivision Ordinance, including a plat of the subject parcel and any subdivision, locations of various uses, and all covenants relating to uses, locations and sizes of buildings and other structures, intensity of use or density of development, streets, ways, and parking facilities, common open spaces and public facilities.

Diameter at Breast Height (DBH): The diameter of a tree trunk measured at four and one-half (4.5) feet above the ground.

District (Or Zoning District): A land area within the Township within which certain uniform regulations and requirements apply under the provisions of this Ordinance.

Disturbance: Any action which results in the cutting or removal of vegetation on any land, and/or which results in the turning, displacement, grading or removal of any soil.

Drive-in Theater: An area of land which may include accessory uses such as the sale of snacks and which is devoted to the showing of motion pictures which are viewed by persons in vehicles.

Driveway: A privately owned, constructed, and maintained vehicular access from a street or access drive to only one (1) dwelling unit, commercial unit, institutional or industrial principal use. (See also "access drive.")

Drug Paraphernalia: Any objects, devices, instruments, apparatus or contrivances, whose primary and traditionally exclusive use is involved with the illegal use of any and all controlled substances under Pennsylvania Law.

Dwelling: A structure or portion thereof which is used exclusively for human habitation.

Dwelling, Multi-family: A building or buildings designed for occupancy by three (3) or more families living independently of each other in separate dwelling units. The term "multi-family dwelling" shall include condominium as well as non-condominium housing units including the following construction types:

- A. Conversion Apartments: A new dwelling unit created within an existing building which creates three (3) or more units.
- B. Garden Apartment: A multi-family dwelling not exceeding two and one-half (2 ½) stories in height and containing three (3) or more dwelling units which are located one over the other and which, when more than three (3) units are utilized, are attached side-by-side through the use of common party walls, and which shall have side yards adjacent to each first story end unit. Each dwelling unit is accessible by a common stairwell.
- C. Townhouse: A multi-family dwelling of three (3) or more dwelling units of no more than two and one-half

(2 ½) stories in height in which each unit has its own front and rear accesses to the outside, no unit is located over another unit and each unit is separated from any other unit by one or more common fire resistant walls without openings.

- D. Apartment Building: A multi-family dwelling containing dwelling units having only one (1) floor and typically with an entrance door to a common hallway shared by other dwelling units.

Dwelling, Single-Family: A dwelling unit detached from any other dwelling unit accommodating a single family and having a front, rear and two (2) side yards.

Dwelling, Two-Family: A dwelling accommodating two (2) families either with units which are attached side by side through the use of a party wall, and having one (1) side yard adjacent to each dwelling unit; or upstairs/downstairs units.

Dwelling Unit: A single habitable living unit including a kitchen, sleeping facilities, and a separate bath and toilet, designed as a household unit for extended periods of occupancy for living and sleeping purposes by not more than one (1) family at a time.

Earth Disturbance Activity: Any construction or other activity which disturbs the surface of the land including but not limited to excavations, embankments, land development, subdivision development, mineral extraction and the moving, depositing or storing of soil, rock or earth.

Easement: Authorization by a property owner for the use by another, and for a specified purpose, of any designated part of the owner's property.

Escort: A person who, for consideration, agrees or offers to act as a companion, guide, or date for another person, or who agrees or offers to privately model lingerie or to privately perform a striptease for another person.

Escort Agency: A person or business association or establishment which furnishes, offers to furnish, or advertises to furnish escorts as one of its primary business purposes for a fee, tip, or other consideration. An "escort agency" shall be considered an "adult business" for the purposes of this Zoning Ordinance.

Essential Services: Municipal or utility facilities that do not require enclosure in a building which are necessary for the public health and safety and which are routine, customary and appropriate to the character of the area in which proposed, including such facilities as poles, towers, wires, mains, drains, sewers, pipes, conduits, cables, fire alarm boxes, police call boxes, traffic signals, hydrants, and other similar equipment. Buildings, sewage treatment plants, solid waste disposal facilities, commercial communication towers, utility company offices, storage of trucks or equipment and bulk storage, and any commercial communications devices and/or facilities not specifically regulated by the PA Public Utility Commission shall not be considered essential services. (For essential services requiring enclosure in a building see "semi-public building or use.")

Estate Lot: A large, privately-owned lot comprising all or part of an area of open land in an open land development. The purpose of the estate lot is to provide surrounding residents with visual access to open land, while maintaining the lot under private ownership and maintenance, without public access. Only a small part of an estate lot may be developed.

Exercise Club: A facility that offers indoor or outdoor recreational facilities, such as the following: weight rooms, exercise equipment, non-household pool and racquetball courts.

Family: One or more persons living in a single dwelling unit functioning as a common household unit sharing household expenses and sharing joint use of the entire dwelling unit. If a dwelling unit is rented, in order to qualify as a family, there shall not be more than one (1) lease among all of the occupants. A family shall not include more than four (4) persons who are not "related" to each other (see definition). (See provisions in §805 regarding maximum

number of unrelated persons within a "group home." A "treatment center" shall not be considered a "family" or a "group home." See also the definition of a "dwelling unit.")

Fence: A man-made barrier placed or arranged as a line of demarcation, an enclosure or a visual barrier and which is constructed of wood, chain-link, metal, fiberglass, vinyl or aluminum and/or plastic inserts. Man-made barriers constructed principally of masonry, concrete, cinder block or similar mostly solid materials shall be considered a "wall." The term "wall" does not include engineering retaining walls, which are permitted uses as needed in all districts. The terms "fence" and "wall" do not include hedges, trees or shrubs.

Flea Market: An occasional or periodic sales activity held outside a fully enclosed building where stalls or sales areas are set aside, and rented or otherwise provided and which are intended for use by one or more unrelated individuals to sell articles that are either homemade, homegrown, handcrafted, old, obsolete, or antique and may include the selling of goods at retail by businesses or individuals who are generally engaged in retail trade. Flea markets shall not include any operation which involves the sale of any obscene or pornographic material or any activity included in the definition of "adult business" contained in this Ordinance.

Forestry Enterprise: The management of forests and timberlands when practiced in accord with accepted silvicultural principles, through developing, cultivating, harvesting, transporting and selling trees for commercial purposes, which does not involve any land development, the operation of a sawmill or the operation of any other wood manufacturing business.

Funeral Parlor: A building or part thereof used for human funeral services. Such building may contain space and facilities for: a) embalming and the performance of other services used in preparation of the dead for burial; b) the performance of autopsies and other surgical procedures; c) the storage of caskets, funeral urns, and other related funeral supplies; and d) the storage of funeral vehicles, but shall not include facilities for cremation. Where a funeral parlor is permitted, a funeral chapel shall also be permitted.

Garage, Private Parking: A building or portion thereof used only for the storage of automobiles by the families resident upon the premises or by individuals residing in the immediate vicinity of such storage facilities.

Garden Center, Retail: A retail establishment engaged in the sale of ornamental trees, shrubs and plants and supplies for gardening and landscaping.

Gasoline Service Station: A structure, building, or area of land or any portion thereof that is used for the sale of gasoline and oil or any other motor vehicle fuel and/or other lubricating substance, which may or may not include facilities for lubricating, washing, and sale of accessories, but not including the painting and/or body work thereof and other vehicle and equipment repair operations as defined by this Ordinance. Any business or industry dispensing gasoline and servicing vehicles only for its own use will not be deemed to be a gasoline service station.

Golf Course: A tract of land for playing golf, improved with trees, greens, fairways, hazards, and which may include clubhouses and shag ranges; but does not include miniature golf courses or golf driving ranges. (See definition of "Recreational Facilities, Private")

Golf Course, Miniature: A novelty version of golf played with a putter and golf ball on a miniature course, typically with artificial playing surfaces, and including obstacles such as bridges and tunnels.

Golf Driving Range: A facility arranged with golf tees and used for longer range play of golf balls where balls are supplied for a fee. It may also include a putting green.

Good Operating and Road-Worthy Condition: - A vehicle having both a current and valid registration and current and valid inspection sticker as required by the motor vehicle laws of the Commonwealth of Pennsylvania, or if lacking a registration and/or inspection sticker, is in full and complete working order and condition, but for not having said

current registration and inspection sticker could be safely and legally operated on a public roadway. Registrations and inspections which have been expired for less than sixty (60) days shall be considered current for the purposes of this definition.

Greenhouse, Commercial: A structure, typically constructed of metal or wood framework and covered with glass or plastic, used for the propagation of plants for wholesale distribution; and including associated structures for office space and storage; but not including retail sales of any products or services.

Greenhouse, Private: A detached accessory structure, typically constructed of metal or wood framework and covered with glass or plastic, used for private use.

Gross Floor Area: The sum of the total horizontal areas of the several floors of a building measured from the exterior face of exterior walls, or from the centerline of a wall separating two buildings, but not including interior parking spaces, loading space for vehicles, any space where the floor-to-ceiling height is less than six (6) feet, elevator shafts, common stairwells in an apartment building, and unenclosed porches, decks and breeze ways.

Group Home: The use of any lawful dwelling unit which meets all of the following criteria:

- A. Involves the care of the maximum number of persons permitted by the "group home" standards of §805, and meets all other standards of such section.
- B. Involves persons functioning as a common household.
- C. Involves providing non-routine support services and oversight to persons who need such assistance to avoid being placed within an institution, because of physical disability, old age, mental retardation or other "handicap"* as defined by applicable Federal law.
- D. Does not meet the definition of a "treatment center/clinic."
- E. Does not involve the housing or treatment of persons who could reasonably be considered a threat to the physical safety of others, or which have been incarcerated or are in the control of the criminal justice system.

*NOTE: As of 1992, the Federal Fair Housing Act defined "Handicap" as follows: "1) a physical or mental impairment which substantially limits one or more of such person's major life activities, 2) a record of having such an impairment, or 3) being regarded as having such an impairment, but such term does not include current, illegal use of or addiction to a controlled substance as defined in §802 of Title 21."

*NOTE: A use that would otherwise meet the definition of "group home" but which includes more than the permitted number of residents shall not be considered a "group home."

Health Facilities: Publicly or privately operated establishments engaged in providing services for human health maintenance including hospitals, medical clinics, nursing homes, adult care facilities and personal care homes, but not including *treatment centers/clinics* or *abused person shelters* as defined by this ordinance.

Heliport: An area used for the take-off and landing of helicopters, together with any related support facilities such as for maintenance, refueling and storage. This Ordinance is not intended to regulate the non-routine emergency landing and take-off of aircraft to pick-up seriously injured or ill persons.

- A. Public Heliport: A heliport that does not meet the definition of a Private Heliport.
- B. Private Heliport: A heliport limited to a maximum total of 15 flights or take-offs in any 7-day period (in addition to flights necessary for emergency medical purposes) and that is not available for use by the general public. This is also know as a helistop.

Office Building: A building used primarily for conducting the affairs of a business, profession, service, industry or government, or like activity.

Open Land or Open Space: That part of a particular development tract set aside for the protection of sensitive natural features, farmland, scenic views and other primary and secondary conservation areas identified by this Zoning Ordinance. Open land may be accessible to the residents of the development and/or the Township, or it may contain

areas of farmland, forest land or estate lots which are not accessible to project residents or the public.

Parcel: See definition of "lot".

Parking Area, Private: An open area for the same uses as a private garage.

Parking Area, Public: An open area, other than a street or other public way, used for the parking of automobiles and available to the public whether for a fee, free or as an accommodation for clients or customers.

Patio: An open recreational area or structure, constructed no higher than six (6) inches from the ground level and resting directly on the ground. It may be attached to or detached from the principal building and may be constructed using wood, masonry, pavement, stone, or other material suitable for that purpose.

Permanent Foundation: A cement, concrete, treated wood or cinder block walled foundation erected on a poured concrete, frost-free footer, or a solid reinforced concrete slab of a thickness meeting current Township requirements.

Permit: A document issued by the proper Township authority authorizing the applicant to undertake certain activities.

- A. Zoning Permit: A permit that may be issued indicating that a proposed use, building or structure is, to the best knowledge of the Township Staff, in accordance with this Ordinance and which authorizes an applicant to proceed with said use, building or structure, within all other applicable laws and regulations. For the purposes of this Ordinance, a zoning permit or "a permit under this Ordinance" shall mean the applicable portions of a construction permit, unless a specific system of zoning permits has been established.
- B. Construction Permit: A permit indicating that a proposed construction, alteration, or reconstruction of a structure, is to the best knowledge of the Township Staff, in accordance with the provisions of the Building Code(s) adopted by the Township.
- C. Use Permit: A permit that may be required by the Township that is issued upon completion of the construction of a structure, or change in use of a structure or parcel of land, or re-occupancy of a structure or land indicating that the premises, to the best knowledge of the Building and Zoning Officers, comply with the provisions of Township Ordinances. This shall have the same meaning as a "Certificate of use and Occupancy."

Personal Care Home or Center: A residential use providing residential and support services primarily to persons who are over age 60, physically handicapped and/or the developmentally disabled and that is licensed as a Personal Care Center by the Commonwealth, but not including *treatment centers/clinics* or *abused person shelters* as defined by this ordinance. (See *health facility*.)

Place of Worship: Buildings, synagogues, churches, religious retreats, monasteries, seminaries and shrines used primarily for religious and/or spiritual worship and that are operated by a tax-exempt organization for nonprofit and noncommercial purposes. A place of worship may include two (2) dwelling units as an accessory use to house full-time religious leaders and their families. If a religious use is primarily residential in nature, it shall be regulated as the appropriate "dwelling type;" for example, a use involving multi-family dwellings shall be regulated as such in terms of district location, density and other design standards.

Planning Commission: The Planning Commission of Glenburn Township.

Porch: An attached roofed patio or deck. With the exception of the wall adjoining the principal structure, all walls must be open or screened with a wall no higher than four (4) feet above the floor level. A porch is considered an attached accessory structure and must meet those setback requirements for principal structures.

Principal Building: The building in which the principal use of a lot is conducted. Any building that is physically attached to a principal building shall be considered part of that principal building.

Principal Use: A dominant use(s) or main use on a lot, as opposed to an accessory use.

Recyclables shall not include, except as specifically authorized by the Township in accord with §531 of this Ordinance, tires, large appliances such as stoves, refrigerators, washers and dryers, other scrap metal, used motor oil or any other material defined as "junk" or "solid Waste" by this Ordinance.

Recycling Facility: A center for the collection and/or processing of recyclable materials. A recycling facility does not include storage containers or processing activity located on the premises of a residential, commercial, or manufacturing use and used solely for the recycling of material generated by that residential property, business or manufacturer. Any facility accepting or processing waste or other discarded materials which are not recyclables as defined or authorized under this Ordinance shall be considered a junkyard or solid waste facility as regulated by this Ordinance.

- A. Recyclable Collection Facility: A center for the acceptance by donation, redemption, or purchase of recyclable materials from the public.
- B. Recyclable Collection Facility, Small: A recyclable collection facility which occupies an area of not more than five-hundred (500) square feet (including areas used for containers or other recyclable storage but not parking and loading areas) and may include mobile recycling units, kiosk type units which may include permanent structures and/or unattended containers placed for the deposit of recyclables.
- C. Recyclable Collection Facility, Large: A recyclable collection facility which occupies an area of more than five-hundred (500) square feet (including areas used for containers or other recyclable storage but not parking and loading areas) but not more than twenty thousand (20,000) square feet (including areas used for container or other recyclable storage, structure and parking and loading areas) and which may include permanent structures, and limited recyclable processing for shipment or preparation to an end-user's specifications, by such means as baling, briquetting, compacting, flattening, grinding, crushing, mechanical sorting, shredding or cleaning or but not including the remanufacturing or conversion of recyclables to new products or raw materials used for new products.
- D. Recycling Unit, Mobile: An automobile, truck, trailer or van, licensed by the Department of Transportation which is used for the collection of recyclable materials, or the bins, boxes or containers transported by trucks, vans or trailers and which are used for the collection of recyclable materials.
- E. Recyclable Processing Facility: Any recycling facility which exceeds the area or processing limits of a large collection facility or which involves the remanufacturing or conversion of recyclables to new products or raw materials used for new products.

Related or Relative: Persons who are related by blood, marriage, adoption or formal foster relationship to result in one of the following relationships: brother, sister, parent, child, grandparent, great-grandparent, grandchild, great-grandchild, uncle, aunt, nephew, sister-in-law, brother-in-law, father-in-law, mother-in-law or first cousin. It shall not include relationships such as second, third or fourth cousins.

Restaurant, Fast Food

- A. An establishment that sells ready-to-consume food or drink, that routinely involves the consumption of at least a portion of such food on the premises and that does not meet the definition of a "standard restaurant."
- B. A fast-food restaurant may include the accessory sale of alcoholic beverages. However, if such sale is a primary or substantial portion of the total trade, the requirements of a "tavern" or nightclub as applicable must be met.

Restaurant, Standard

- A. An establishment that serves ready-to-consume food or drink for compensation in which the clear majority of sales involve the following: the customers order their food from a waiter or waitress while seated inside a building and then the food is consumed at the table.
- B. A standard restaurant may include the accessory sale of alcoholic beverages. However, if such sale is a

primary or substantial portion of the total trade, the requirements of a "tavern" must be met.

Retail Business: An establishment engaged in selling goods or merchandise to the general public for personal or household consumption and rendering services incidental to the sale of such goods, and which is not otherwise listed as a use in the Schedule in Article III.

Right-of-Way: Land reserved for use as a street, drainage facility or other public or community use. A right-of-way shall not be considered as land area when computing lot size.

Satellite Dish Antenna or "Satellite Antenna": A ground-based reflector, usually parabolic in shape, that receives electronic signals from a satellite. This term shall also include any pedestal or attached structure.

School, Public or Private Primary or Secondary School: - An educational institution primarily for persons between the ages of five (5) and nineteen (19) that primarily provides State-required or largely State-funded educational programs. This term shall not include "Trade Schools" (such as privately operated schools of trade, vocation or business.)

Screen: A device, material or construction used to conceal an element of a development from other elements or from adjacent development or public road rights-of-way, which may include walls, fences, topography, berms, natural and planted vegetation or other means approved by the Township.

Screened: Not visible from any adjoining or neighboring property, any public or private road right-of-way, or any other premises which is accomplished by fencing, topography, berms, natural and planted vegetation or other means approved by the Township.

Self-Storage Facility: A building or buildings containing separated spaces to be leased or rented to individuals and/or business for the storage of personal belongings, goods or supplies.

Semi-Public Building or Use: Buildings or uses operated by non-profit, community-based organizations for the general use of Township residents, including churches, fire houses, ambulance buildings, private schools, libraries and the like, but excluding institutional uses such as nursing homes, hospitals, sanitariums and clinics. It shall also include essential services and public utilities that require enclosure within any structure or building.

Senior Day Care Center: Any establishment enrolling five (5) or more adults where fees or other forms of compensation are charged for the care of the adults, such care limited to only a part of each day and the adults do not reside on the premises and no health services are provided.

Service Establishment: Establishments engaged in providing services involving the care or needs of a person or his or her apparel such as cleaning and garment services, beauty and barber shops, shoe repair, dry cleaning and laundries, photographic studios, etc., and which is not otherwise listed as a use in the Schedule in Article III.

Setback: An open unoccupied space which shall extend the full depth or width of a lot and which shall not be occupied by any portion of any building. Front setbacks shall be measured from the edge of the highway right-of-way and other setbacks from property lines. In the case of flag lots, the front setback shall be measured from the lot line closest to the public road right-of-way from which access is gained.

Sewage Disposal System: A system to collect, treat and dispose of sewage. No such system shall be permitted that does not comply with local, State and Federal requirements.

- A. Central or Community Sewage Disposal: A sanitary sewage collection and treatment system meeting the requirements of the Pennsylvania Department of Environmental Protection in which sewage is carried from individual lots or dwelling units by a system of pipes to a central treatment and disposal facility or system which may be publicly or privately owned and operated, including sewage treatment plants, land application

systems, and community sewage disposal systems. A system designed to serve a two-family dwelling or two (2) dwelling units located on the same property or adjacent properties shall not be considered as central sewerage for unit density determination, and in such a case all development standards, including but not limited to, unit densities, will apply the same for each dwelling or unit as any single-family unit.

- B. Public Sewage Disposal: A central sewage disposal system owned and operated by a government or governmental agency.
- C. On-Lot or Individual Sewage Disposal: Any sewage disposal system (whether subsurface or above ground) used to treat and dispose of domestic sewage into the soil on an individual lot in accord with Pennsylvania Department of Environmental Protection Rules and Regulations.

Sexual Encounter Center: A business or commercial enterprise that, as one of its primary business purposes, offers for any form of consideration:

- A. Physical contact in the form of wrestling or tumbling between persons of the opposite sex;
- B. Activities between male and female persons and/or persons of the same sex when one or more of the persons is in a state of nudity or semi-nude.

A "Sexual Encounter Center" shall be considered an "Adult Business" for the purpose of this Ordinance.

Shed: An accessory structure, either attached or detached, used for the storage of tools, minor equipment, and materials.

Shopping Center or Mall: A group of commercial establishments planned, constructed and managed as a total entity with customer and employee parking provided on site, provision for goods delivery separated from customer access, aesthetic considerations and protection from the elements.

Shooting Range, Indoor: See *Recreational Facility, Private*.

Shooting Range, Outdoor: Any area not within a fully enclosed building used for the discharge of any firearm for recreational or training purposes, including but not limited to, target shooting ranges, skeet and trap shooting ranges and courses, and sporting clay shooting operations. Any such commercial operation, any such area operated by any private non-profit entity, any community association, any such area operated by any sportsman's, recreation or fraternal club or association with twenty-five (25) or more members, and any such area which is used or is intended to be used for more than five (5) hours in any one (1) week shall be considered an outdoor shooting range for the purposes of this Zoning Ordinance.

Signs: See §405.

Slaughter House: A use involving the killing of animals for the production of food or some other commercial product. A commercial stockyard or similar facility that primarily involves the bulk storage or transferring of animals on the way to slaughter shall also be considered a slaughter house. This shall not include a custom "butcher shop" that does not involve killing of animals (which is a retail sales use.)

Solid Waste or Waste: Any garbage, refuse, industrial, lunchroom or office waste or other material including solid, liquid, semi-solid or contained gaseous material, resulting from the operation of residential, municipal, commercial or institutional establishments and from community activities.
