Kishacoquillas Park Tree Donation Program

A Bald Eagle was recently spotted at Kish Park. Your donations will help sustain a variety of wildlife in the Park.

By donating a tree to this special program, you will be beautifying your Community Park while at the same time Celebrating Life by planting a tree!

Plant A Tree In Tribute

Celebrate a birth, a wedding, an anniversary or honor the memory of a loved one through the Living Tree Donation Program!

Throughout the ages, trees have stood as strong life symbols. Trees improve our air quality and beautify our parks. A tree can also serve as a living and loving remembrance of a special event.

Perfect As A Family Tree

Plant a tree to honor the birth of a child, to serve as a symbol of a growing family. Like the tree, the family spreads its roots as it branches out, preparing a strong base for future generations.

Perfect As A Monument

The donation of a tree is a wonderful testimonial to a life well lived. Family and friends will have a living monument for a loved one, which will also provide beauty, shade and landscaping for your Park.

HOW TO DONATE A TREE

You may donate a live tree to be planted at Kishacoquillas Park. The Derry Township Park Maintenance Dept. will arrange the planting of the tree as well as the tree maintenance. As a Derry Township policy we are not able to hold ceremonies, however, if family and friends would like to celebrate after the tree is planted they may do so. In addition, due to the increased maintenance we do not allow the placement of decorations, notes, and ornaments on or around the tree.

Your tree will be planted at Kishacoquillas Park. Derry Township staff will choose your tree from a list of trees suitable for planting in our Park. After your tree is planted the Park Dept. will maintain your tree, however please remember a tree is a living organism and can develop disease, is exposed to the weather elements and vandalism. If the tree develops a disease or is damaged, it may be necessary for the Township to prune, remove or replace the tree.

With a donation of \$200, a tree will be planted at the park in honor of your loved one. You will also be given a Tree Certificate with the name(s) of the Honoree and a tree memorial number. All verbiage on the certificate must be reviewed and approved by the Derry Township Board of Supervisors.
