3. Any and all requests shall be made in writing address to the Township Open Records Officer on a form provided by the Township.

FEES

4. Paper copies shall be twenty-five (\$.25) cents per page per side. The certification of a record is One (\$1.00) Dollar per record. Specialized documents, including but not limited to blueprints, color copies, and non-standard sized documents shall be charged the actual cost of production. If mailing is requested, the cost of postage will be charged. In the event that total costs and fees are estimated to be in excess of One Hundred (\$100) Dollars, a prepayment estimate shall be required. All fees and costs shall be paid in full prior to mailing or release.

RESPONSE TIME

5. The Township shall make a good faith effort to respond to all requests as promptly as possible. The Open Records Officer shall review the written request and collect all requested documents for inspection and duplication. Those documents which the Township can duplicate at the Municipal Building shall be designated as such, and those specialized documents which require duplication at an outside facility shall also be designated. The Open Records Officer shall as soon as possible, but not later than five (5) business days after receiving a written request to access public records, provide a response in writing consistent with Act 3 of 2008, the Right-to-Know Law.

If access to a record is denied, the response shall include a reason for denial as stipulated in Act 3 of 2008, the Right-to-Know Law.

TIME OF RECEIPT

6. All written requests shall be date stamped upon receipt by mail or by drop-off at the Municipal Building.

EXTENSION OF TIME

7. Pursuant to Section 902 of the Right-to-Know Law of Act 3 of 2008, the Open Records Officer may unilaterally extend the five (5) day response period for written requests without it being considered a deemed denial. The reasons include:

- (a). Redaction is required;
- (b). Records are stored in a remote location;
- (c). Bona fide and specific staffing limitations;
- (d). Legal review is necessary to determine whether the record is accessible;
- (e). Requestor has not complied with the provisions of this Ordinance;
- (f). Requestor refuses to pay applicable fees.
- (g). The extent or nature of the request precludes a response within the specified time period.

In any such event, the Open Records Officer shall provide in writing to the Requestor during the five (5) days review period of the specific reason and a

reasonable date on which a response can be expected, and estimate of fees. Under no circumstances will the estimated delay period exceed thirty (30) days.

1. Upon denial of a written request, the Requestor may file an Appeal within fifteen (15) business days of the mailing date of the Township's response or within fifteen (15) days of a deemed denial.

The Appeal shall state the grounds upon which the Requestor asserts or maintains that the requested records are public record and shall address any grounds or reasons stated by the Township for delaying or denying the request.

CONTACT INFORMATION FOR APPEALS

2. Upon receiving a denial or deemed denial of a written request to inspect and/or duplicate public records, the Requestor may file an appeal in writing to the Executive Director for the Office of Public Records, Commonwealth Keystone Building, 400 North Street, Plaza Level, Harrisburg, Pennsylvania 17120-0225.
